MAKING HAWK GREAT AGAIN!

Hawk Technology Ltd, is proud to announce that it is under new ownership. Joshua Clare in partnership with Lori Westmark have purchased 100% ownership back after selling it in 2012. Our new leadership team is well established and is determined to MAKE HAWK GREAT AGAIN. The new ownership and management team is very excited to prove to all of our vendors and customers that we will once again be leaders in our industry!! In 2012 Joshua made the decision to sell Hawk Technology, LTD due to the growth and size of the company. Recently, our industry has seen a decline in economic conditions which has been a tough spot for everyone in our industry. Joshua's years of experience will serve him well in navigating Hawk Technology Ltd to be the best choice for all our customers. Customer service and outstanding value are at the core of our offering.

Lori Westmark brings over 20 years of business ownership experience to the team. Her many years of leadership, business ethics, and real estate brokerage experience will be a key asset to our already amazing team. We look forward to working with all of you in the near future. It is without a doubt that we are well on our way to making Hawk Technology Ltd, Great Again!

Sincerely,
